The Vision for Healthcare:
How Practice Leaders
Re-imagine the Future

Join Our Keynote Speakers

Mike Regina

Ignite Your Passion, Find Your Purpose

Mike has developed key strategies by being intentional, impactful and reciprocal within his communities. He lives his unrelenting entrepreneurial drive by co-founding multiple companies, including Big Sky Enterprises, a construction management firm specializing in healthcare, non-profits and automotive and Global Post Auditing Solutions, a leader in transportation freight solutions for Fortune 500 companies. Read more about Mike and his session [here](#).

Nick Gaudiosi

Consumerism Trends That Will Reshape the Future of Healthcare

Nick's work in healthcare is mission driven and he speaks passionately from a consumer perspective. His career has spanned over 20 years in reinsurance, insurance, and healthcare technology. Nick has a deep insider's knowledge of the way the "system" works and he is inspired to help build a better health ecosystem for patients, doctors and employers. Read more about Nick and his session [here](#).
